About this group

Welcome to United We Roll For Canada!!

After a very successful convoy to Ottawa, we have been inspired to keep this mighty fire truck fighting for Canada! We are proud to spread the positive message of Canadian energy! We are listening to the Canadian people and what they tell us is that they support Canadian jobs! We all champion Canadian resources! Together we will spread the message of the importance of getting our product to tide water. Pipelines equal prosperity! Cheers, and welcome to the family! Please invite your friends to join our group and remember to like our Facebook page as well! [See less](#)
